Source: The Foundation Center, 2009. Dollars in thousands; due to rounding, figures may not add up. Based on all grants of \$10,000 or more awarded by a national sample of 1,339 larger U.S. foundations (including 800 of the 1,000 largest ranked by total giving). For community foundations, only discretionary grants are included. Grants to individuals are not included in the file.

¹Includes a broad range of supporting activities or organizations identified by 18 "common codes."

²Public Affairs/Society Benefit category includes grants for public affairs, philanthropy, and general grants to promote civil society. Civil society grants are also found in other categories, such as human rights and international development.
